228. This number was reported as 0 in the 2013 National Council of Juvenile and Family Court Judges' Report on Disproportionality Rates for Children of Color in Foster Care. SUMMERS, *supra* note **Error! Bookmark not defined.**, at 7. Because the Report rounded the rates to the tenth percentile, and to make use of this data (the DI would be null if the denominator equaled zero), I substituted in 0.01.
